

JSW CEMENT LIMITED, NANDYAL

SAFETY, HEALTH AND ENVIRONMENT POLICY

Our Company is committed to provide safe & healthy work environment for its stake holders by adopting preventive measures of safety apart from corrective actions.

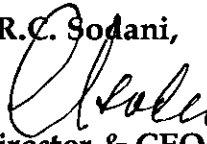

We shall continue our commitments to safety, health and environment by:

- Complying with relevant legal statutes.
- Conducting operations in safe and environment friendly manner to minimize the impacts on Safety, Health & Environment.
- Using and maintaining equipment, systems and facilities to provide a safe work atmosphere to our stakeholders and aim towards becoming an incident and injury free company.
- Conserving resources and preventing pollution.
- Establishing emergency preparedness.
- Maintaining good housekeeping in our premises.
- Creating safety, health and environmental awareness and developing the required level of knowledge and skills in all employees through need based training and internal communication.
- Continually improving safety, health and environment aspects through objectives, targets, management programs, audits and reviews.

This policy, its objectives and targets and the levels of implementation shall be periodically reviewed to ensure that it remains relevant and communicated to all concerned.

REV..01

Date:: 25.10.2011

R.C. Sodani,
