

VICE CHAIRPERSON'S MESSAGE

.....

Together, we remain committed to building an India where opportunity reaches every corner, where communities are empowered to shape their own futures, and where every individual has the chance to live with dignity, purpose, and hope.

Dear Stakeholders,

This has been an incredibly special year for me as I stepped into the role of Vice-Chairperson at JSW Foundation. It has been a year of listening, learning, and understanding the incredible work being done across the country. Visiting our projects, meeting communities, and seeing the dedication of our teams firsthand has been both inspiring and deeply humbling.

While this is my first year being actively involved with the Foundation, in many ways I have been part of this journey all my life. I have had the privilege of watching my parents build JSW brick by brick, and seeing JSW Foundation grow alongside it with the same sense of purpose and care. Growing up, I witnessed the deep relationships they built with communities, particularly around our villages, and the genuine belief that progress should improve people's lives. Their commitment to creating opportunities for others has always been at the heart of everything they do, and it continues to define the Foundation today.

As I have travelled across our projects this year, what has stayed with me most is the people. I have met women building financial independence for themselves and their families, young people discovering new opportunities through education and skills, farmers embracing more sustainable practices, and communities coming together to create a better future. These stories are a reminder that meaningful change is built through trust, partnership, and long-term commitment.

At its heart, JSW Foundation is driven by a simple but ambitious aspiration—to help build an India where every individual has the opportunity to become self-sufficient and enjoy a better quality of life. Through our work across education, healthcare, livelihoods, agriculture, sports, women's empowerment, and environmental sustainability, we hope to create opportunities that enable individuals, families, and communities to thrive.

None of this would be possible without the unwavering commitment of our field teams, partners, volunteers, community leaders, and every member of the JSW Foundation family. Their compassion, dedication, and belief in our mission are what transform ideas into meaningful impact every day.

As I begin my own journey with the Foundation, I do so with immense gratitude for the legacy that has been built over the years and with great optimism for what lies ahead. I look forward to continuing to learn from the communities we serve and working alongside our teams and partners to build on this strong foundation.

Together, we remain committed to building an India where opportunity reaches every corner, where communities are empowered to shape their own futures, and where every individual has the chance to live with dignity, purpose, and hope. Thank you to everyone who has been part of this journey. I look forward to everything we will achieve together in the years ahead.

Tanvi Jindal Shete,
Vice Chairperson, JSW Foundation
