Item No.13

The Company has steelmaking capacity of 18 MTPA and requires iron ore, coking coal, coke, fluxes and other raw materials for manufacture of steel products at all its three plant locations i.e., Vijayanagar, Dolvi and Salem. The Company sources its iron ore requirements from different regions in India and resorts to imports whenever needed to ensure optimum sourcing. The Company also imports the requirement of coal and other raw materials viz coking coal, thermal coal, coke and fluxes. The increase in capacity has also led to increase in the volume of imports of these raw materials. The Company imports approximately 15-21 million tons of iron ore, coke, coking coal and other raw materials per annum depending on the availability of the raw materials.

Considering the huge requirement of imports of raw materials, to bring in efficiency of time and costs, JSW group has set up a dedicated team to oversee the procurement of the coal requirements of the group under JSW International Tradecorp Pte. Limited, Singapore, (JSWITPL) which is domiciled in Singapore. This arrangement enables the business verticals to reap the benefits of consolidated procurement of raw materials by JSWITPL which will be able to negotiate better deals on consolidated volumes, develop better understanding of the coal and iron ore markets, besides reducing the overhead and financing costs.

Accordingly, your Company had entered into an agreement with JSWITPL, a promoter group company, for a period of three years, for procurement of iron ore, coking coal, coke and other raw materials

The aforesaid arrangement offers the following benefits to your company:

1. Better planning and negotiating power leading to reduction in raw material prices
2. Lower transaction costs and financing costs.

The proposal to enter into a contract(s) / agreement(s) was approved by the Board of Directors and the Shareholders for the FY 16-17, FY 17-18 and FY 18-19 for an amount of USD 1,180 million, USD 3,150 million and USD 3,150 million aggregating to USD 7,480 million.

The Company now intends to renew the said contract(s)/ agreement(s) for a further period of three years from FY 19-20 to FY 21-22 ("Transaction"). Considering the increase in commodity prices, increase in production volumes and the strategy to increase imports from JSWITPL, it is expected that the transaction with JSWITPL would be approximately USD 2,383 million, USD 3,441 and USD 3,441 million for the FY 19-20, FY 20-21 and FY 21-22, respectively, aggregating to USD 9,265 million over the period of three years.

The procurement from JITPL is expected to increase to USD 9265 million (FY 19-20 to FY 21-22) due to the following reasons:

- Increase in the capacity expansion at Dolvi from 5 MTPA to 10 MTPA
- Additional purchase of raw materials due to proposed merger of Dolvi Coke Projects Limited, a wholly owned subsidiary of the Company with itself
- Purchases of majority of coal requirement from JSWITPL and increase in coal prices.

The purchase price of raw materials would be determined based on the JSWITPL actual procurement costs from third party miners and vendors plus a margin of 1%, which is the same margin currently being paid to JSWITPL. The margin being paid to JSWITPL is comparable to margins paid by other

companies as per the third party study and accordingly the margin paid to JITPL is at arm's length. Hence the transaction is at arm's length and in the ordinary course of business of the Company.

The Transaction being a related party transaction, has been approved by the Audit Committee in its meeting held on May 23, 2019 in terms of section 177 of the Companies Act, 2013 and Regulation 23(2) of the Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and by the Board of Directors in its meeting held on May 24, 2019.

The related party transaction envisaged in this resolution is considered as material related party transaction in terms of Regulation 23 of the Listing Regulations and the Policy on dealing with Related Party Transactions approved by the Board of Directors ("RPT Policy") and accordingly the approval of the shareholders is being sought. In terms of the said Regulation 23 and the RPT Policy, a transaction with a related party shall be considered material if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year exceeds ten percent of the annual consolidated turnover of the company as per its last audited financial statements. All related parties shall not vote to approve such resolutions whether the entity is a related party to the particular transaction or not.

In accordance with Section 102(1) and the proviso to Section 102(2) of the Companies Act, 2013, the shareholding interest of the Promoters/ Directors/ Key Managerial Personnel of the Company in JSWITPL to the extent that such shareholding is in excess of 2% is set out below:
