

Quality Policy

In our endeavor to become the most preferred global steel supplier, JSW Steel shall strive to sustain organizational excellence by continually improving quality in all aspects of business.

We are committed to:

- Delivering Products and Services with ‘Zero Defects’.
- Implementing robust systems and processes to achieve “First Time Right”.
- Building an Engaged, Empowered, Productive and Risk Based Thinking Workforce to enable innovation, problem solving, and value creation for stakeholders.
- Enhance Customer Delight by proactively providing product and service that exceed customer expectations
- Complying with applicable Statutory and Regulatory and other requirements.
- Continual Improvement of the Quality Management System

The above would be guiding principle for reviewing JSW’s business objectives and strategies. It shall be communicated and practiced across organization.
