## JSW Steel re-commissioned the Blast Furnaces at its Vijayanagar and Salem Works

JSW Steel Limited is happy to place on record that two of its Blast Furnaces which were shut down in August and November 2015 at Vijayanagar and Salem Works respectively for relining and modification have since been re-commissioned. The re-commissioning work of the Blast Furnace at Dolvi works is in an advanced stage and is expected to be operational shortly.

JSW Steel is a part of the diversified \$11 billion JSW Group, which has presence in Steel, Energy, Infrastructure, Cement, and JSW Ventures. JSW Steel is the leading integrated steel company in India with an installed steel-making capacity of 14.3 MTPA. JSW Steel's plant at Vijayanagar is one the largest single location steel producing facility in the country with a capacity of 10 MTPA. JSW Steel has a strong product assortment covering the entire gamut of flat and long steel products manufactured through state-of-the-art Corex and Blast furnace technologies.
