

## Corporate Social Responsibility (CSR) policy

### 1.0 About JSW Group

A \$11 billion conglomerate, the JSW Group is a part of the O.P. Jindal Group. JSW has set up business facilities in various core sectors of India. With verticals that are exploring innovative and sustainable avenues in steel, energy, infrastructure and cement, the Group is paving the way for India's development as a global superpower.

Our ethical practices, transparent businesses, strong Corporate Governance and focused employees have contributed to make every endeavor a success. JSW Group is proud to be charting a course to excellence that creates opportunities for every Indian and leads to the creation of a sustainable, dynamic and developed nation.

The JSW Group is committed to creating more smiles at every step of the journey. JSW Foundation, the Group's CSR and sustainability arm, is in constant pursuit of making life better for communities with its various initiatives in the fields of health, education, livelihood and sports along with art and culture.

### 2.0 About JSW Jaigarh Port Limited

JSW Jaigarh Port Limited (JPL) is the first deep water, all-weather, 24/7 private port in Maharashtra. Inaugurated in August 2009, the JPL was built in a record time of 20 months. It has 2 berths with mechanized facilities to handle 15 Million Tonnes of bulk cargo. This Greenfield, all-weather port occupies a strategic location on the west coast, as it is situated between the ports of Mumbai and Goa.

Jaigarh Port is operated by JPL, an SPV of JSW Infrastructure. The Company was created to develop the port, on a build-own-operate-share-transfer (BOOST) basis, under a 50-year concession licensed by the State Government of Maharashtra.

True to the vision of the Group, JPL has since expanded its commercial operations to service the requirements of various other industries as well.

***JSW cherishes people and believes in inclusive growth to facilitate creation of a value-based and empowered society through continuous and purposeful engagement of society around.***

### 3.0 CSR AT JSW

JSW Group firmly believes in strengthening the social capital. It has adopted a **Corporate Social Responsibility Policy** where it strives to address the issues related from antenatal stage of life up to the reproductive age of 45 years in theme '**Janam se Janani Tak , JSW Aap ke Saath**' through a process of social inclusion.

- Allocate 2 % Profit Before Tax (PBT) towards Corporate Social Responsibility as per the categories mentioned in the Schedule VII of the Companies Act 2013.
- Concentrate on community needs and perceptions through social processes and related infrastructure development.
- Provide special thrust towards empowerment of women through a process of social inclusion.
- Spread the culture of volunteerism through the process of social engagement.
- Transparent and accountable system for social development and conducting periodic assessments.

### 4.0 FOCUS AREAS

JPL would continue its CSR activities in the identified focus areas on a complete life cycle approach wherein women shall be empowered in such a way that they become strong and positive force of change. CSR activities would be undertaken as projects or programs or activities (either new or ongoing) at various locations including geographies where JSW Infrastructure has set up or proposed to set up port and/or other infrastructure facilities either directly or through any of its Special Purpose Vehicles (SPVs) or Subsidiaries.

Specific interventions would be followed as under:

- Access to adolescent reproductive and sexual health and rights
- Completion of primary and secondary education
- Efficient maternal and child health care services
- Enhance access to improved nutrition services
- Environmental Preservation
- Enhancing the output of present occupation
- Employability and vocational education
- Early childhood education/ pre-primary education
- Responsible Parenthood

## **5.0 STRATEGY**

JPL would allocate 2% of their Profit Before Tax (PBT) towards identified CSR activities. A separate accounting head would be created to administer CSR spending by the Company. All the CSR initiatives would be approved and reviewed by the committee periodically.

Taking a note of the importance of synergy and interdependence at various levels, JPL would adopt a strategy for working directly or in partnership, wherever suitable.

- The company will support initiatives all across the country. However, certain geographies will be given priority depending on the emerging partnerships and a need for co-investment. All the interventions would be formulated based on need assessment using different quantitative and qualitative methods.
- All the interventions would be adopted based on concurrent evaluation and knowledge management through process documentation.
- Social Mobilization, advocacy at various levels, and/or appropriate policy changes would form part of the interventions in each sector.

## **6.0 EXPENDITURE**

CSR expenditure shall include all expenditure including contribution to corpus for projects or programs relating to CSR activities approved by the Board on the recommendation of its CSR Committee, but do not include any expenditure on an item not in conformity or not in line with activities which fall within the purview of Schedule VII of the Companies Act, 2013.

## **7.0 MODALITIES OF CSR EXPENDITURE:**

All CSR initiatives would be approved by the CSR Committee and the same would be reviewed periodically. A transparent monitoring mechanism has been proposed for implementation of the CSR projects or programs or activities undertaken by the Company.

Taking a note of the importance of synergy and interdependence at various levels, JPL would work either directly or in partnership, wherever suitable.

- Priority to be given to the villages in the immediate vicinity of the plant locations defined as Direct Influence Zone (DIZ). The policy enables plants to define their own DIZ with the

provision that this could be expanded as per the size of operations. However, certain programs might be expanded beyond this geographical perview and upscaled. This context is defined as Indirect Influence Zone (IIZ).

- All the interventions would be formulated based on need assessment using different quantitative and qualitative methods.
- All the interventions would be adopted based on concurrent evaluation and knowledge management through process documentation.
- Social Mobilization, advocacy at various levels, and/or appropriate policy changes would form part of the interventions in each sector.

### **8.0 INTERVENTIONS**
